

CURRICULUM VITAE

FEDERICA TOZZI, M.D.

August 2016

Psychiatrist

Associate Certified Coach

(International Coach Federation)

PRESENT POSITION

Head of Brain Research Department
Stremble Ventures LTD – Cyprus

Visiting Research Fellow
Department of Computer Science-Bioinformatics Team,
eHealth Lab
University of Cyprus

EDUCATION and QUALIFICATIONS

2016- current	Visiting Research Fellow - Department of Computer Science-Bioinformatics Team, eHealth Lab, University of Cyprus
2015- current	Associate Certified Professional Coach – International Coach Federation (ICF)
2010- 2013	Adjunct Professor ; Department of Psychiatry - School of Medicine -University of North Carolina at Chapel Hill (Chapel Hill, NC)
2003 – 2004	Postdoctoral Fellow in Eating Disorders , Department of Psychiatry, University of North Carolina at Chapel Hill, Chapel Hill, NC.
2002- 2003	Research Fellow in Eating Disorders for Price Foundation, Western Psychiatric Institute and Clinic, Department of Psychiatry, UPMC, Pittsburgh, PA
2001- 2002	Postdoctoral Fellow in Eating Disorders , Virginia Institute for Psychiatric and Behavioral Genetics, Department of Psychiatry, Virginia Commonwealth University, Richmond, VA.
1998- 2002	Resident in Psychiatry . School of Psychiatry - University of Rome “Tor Vergata”, Rome, Italy.

1991-1998 **M.D.:** School of Medicine. University of Rome “Tor Vergata”, Rome, Italy.
 1986-1991 **Undergraduate:** Institute “Villa Sora” Frascati, Rome, Italy. *Degree:* ‘Maturità classica’.

ACADEMIC RESEARCH AND COACHING EXPERIENCE

Independent Contractor

2016-ongoing **Professional Coach** – TheCreativitySpace, Italy
 Coaching Services: life, business, group and team coaching.
 Research activity: translating behavioral sciences principles and coaching techniques into practice and into innovative models.
 Delivery of training programs.

Stremble Ventures LTD

2016-ongoing **Head of Brain Research Department** – Stremble, Limassol, Cyprus
 Lead, manage and develop the department to ensure it achieves the highest possible standards of excellence in all its activities.
 Responsible and accountable for setting and advancing the academic strategy of the department in line with Stremble strategic plans and direction.
 Responsible and accountable for leading academic researcher and establishing international collaborations.
 Responsible for supervising students.

Aptuit

2015 **Professional Coach** – Aptuit, Verona, Italy
 Development and implementation of a coaching program for career and personal development, including individual coaching sessions for middle managers and high potentials.

PHARMACEUTICAL AND CRO EXPERIENCE

Aptuit

2014 **Clinical Sciences Leader** – Clinical Strategy and Positioning. Aptuit, Verona, Italy
 Technical leader of drug development preclinical integrated projects, from early discussion with clients, through proposal development, to project implementation.
 Provide scientific/medical advice for early development in humans (from candidate selection through phase II/proof of concept)
 Provide medical and scientific expertise for the design of Translational and Experimental Medicine studies, Clinical Trials and Clinical Development Plans.
 Responsible for developing and maintaining a network of KOLs with expertise in running clinical trials and for maintaining productive relationships and excellent communications with clients

2010-2014 **Research Investigator** – Clinical Sciences. Aptuit, Verona, Italy

Provide medical and scientific expertise to the design and implementation of translational and experimental medicine studies and clinical trials for several therapeutic areas and for nutraceuticals.

Responsible for early development in humans (from candidate selection through phase II/proof of concept) with accountability for the design and implementation of the project strategy

Project Physician/Medical Monitor for compounds in clinical development: accountable for the provision of medical input into project plans, study designs

Back-up medical monitor.

GlaxoSmithKline

2008-2010

Therapy Area Specialist – Applied Genetics. GlaxoSmithKline, Verona, Italy

Responsible for establishing and fostering collaborations with academic groups and consortia, including Psychiatric Genomic Consortium for depression, eating disorders, and smoking.

Responsible for assisting in data analysis and genetics studies design, partnering with Genetics Operations and Statistical Genetics, results delivery and interpretation.

Responsible for the implementation of the genetic and pharmacogenetic strategy in support to Sleep and Addiction Disease Performance Unit, Neurosciences Center of Excellence for Drug Discovery, and the application of human genetic sciences to discover and validate genetic biomarkers of drug response and the incorporation of genetics into the clinical development project plans.

Provided medical expertise advice to the business units responsible for Sleep and Addiction, and Mood and Anxiety portfolio from early discovery to proof of concept declaration.

2004-2008

Genetics Medical Advisor for Psychiatry. GlaxoSmithKline, Verona, Italy

Design of phenotypic and epidemiological analysis of GSK genetic collections, with the purpose of understanding the phenotypic heterogeneity of mood disorders, addictions and eating disorders and identify homogeneous groups of cases to be tested in genetic analysis.

Study design and supervision of multi-centre studies for the recruitment of psychiatric cases and controls.

Responsible for the design and completion of an epidemiological survey, for the constitution of a biobank (DNA and plasma) and clinical data base.

Advisor for to the design of experimental and clinical studies related to food addiction in support to the Psychiatry Centre of Excellence in Drug Discovery (Psy-CEDD).

Completed large-scale genetics studies in mood disorders in collaboration with academic investigators.

PROFESSIONAL TRAINING and EXPERIENCE

2016

“Introduction to Neuroeconomics: How the Brain Makes Decisions” by Higher School of Economics on Coursera. Certificate earned on May 16, 2016

- 2016 *Lean Six Sigma Yellow Belt Training & Certification* by goLEANSIXSIGMA.com. Certificate earned on January 20, 2016
- 2015 *“Learning How to Learn: Powerful mental tools to help you master tough subjects”* by University of California, San Diego on Coursera. Certificate earned on December 28, 2015
- 2015 *“Positive Psychology”* by The University of North Carolina at Chapel Hill on Coursera. Certificate earned on November 24, 2015
- 2015 *“Team & Group Coaching”* training - FUTURE Coaching Academy (International Coach Federation (ICF) Continuing Coach Education (CCE); Milano, November 2015)
- 2014- 2015 *“Professional Coach: business, executive, personal”* training and certification - FUTURE Coaching Academy (ICF Accredited Coach Training Program (ACTP); Milano, November 2014 – June 2015)
- 2014 *“Mindfulness and Self-Esteem”* (Mindfulness Practice; Verona, November – December 2014; by R. Egione, Executive and Mindful Coach ICF)
- 2014 *The Performance Coach: “Coaching: Competenze Fondamentali”* (EMCC Foundation) (Verona, April – May 2014)
- 2013 Course in Human Nutrition [Master in Dieting and Nutrition 2013:” *La fisiologia dell’alimentazione”* (April – May, 2013) – *“Dietologia Clinica”* (September – November, 2013). Roma; Prof.C.Tubili.]
- 2011-2013 Contributor to Linked2Safety project (*A Next-Generation, Secure Linked Data Medical Information Space For Semantically-Interconnecting Electronic Health Records and Clinical Trials Systems Advancing Patients Safety In Clinical Research*) [co-funded by the European Commission within the 7th Framework Programme]
- 2012 *“Studi Clinici in Pediatria e Rilevanza Scientifica”* (*Clinical Studies in Pediatrics and Scientific Relevance - training*) (November - December 2012; Ospedale Pediatrico Bambin Gesù-Rome- Italy)
- 2010 Medical Monitor Training (November 2010- January 2011; Clinical Research Center at G.B. Rossi Hospital, Verona (Italy); Dr. Milleri)
- 2009-2010 Co-Investigator and Member of the Phenotype Committee of the Eating Disorders Genetic Consortium
- 2009 *Statistics in Clinical Drug Development: overview of statistical methods relevant to the design and analysis of clinical trials.* (19-20 October, 2009, GSK North Mymms, UK)
- 2005 46th Annual Short Course in Medical & Experimental Mammalian Genetics (Bar Harbor, Maine (USA), July 17 - 29, 2005), The Jackson Laboratory & Johns Hopkins University.
- 2004 *Schedules for Clinical Assessment in Neuropsychiatry (SCAN) Training Course* (22nd-26th November, Developmental Psychiatry, University of Nottingham, England)
- 2004 *Fourth Annual Short Course on Statistical Genetics for Obesity & Nutrition Researchers* (April 20-21, Washington, DC, USA)
- 2004 *International Workshop on Methodology of Twin and Family Studies: the introductory course.* (March 1-5, Boulder, Colorado, USA)
- 2003 Member of the Academy for Eating Disorders Information Technology Taskforce.
- 2003-2004 Coordinator of Journal Club/Clinical Seminars, Eating Disorders Unit.
- 1999-2001 Collaboration with Prof. A. Dotti, MD, (University of Rome “La Sapienza”): study about eating disorders in ballet dancers- nutritional and psychiatric assessment.

1999-2000	Teaching experiences, University of Rome “Tor Vergata”: lecture on “Psychopathology” for School of Dentistry; lecture on “Basic Symptoms” for School of Medicine; lecture on “Anorexia” for <i>Scuola Medica-Ospedaliera</i> ; lecture on “Basic Symptoms and Panic Disorder” for School of Psychiatry; lecture on “Basic Symptoms” for School of Psychiatry.
1999-2000	Co-author of a scientific multimedia product for children about general medicine (anatomy, physiology, pathology): “Il corpo umano” (“The Human Body”), De Agostini, Editor. (Edited for Italy, France and U.K.)
1996-1998	Support Volunteer in A.I.VO.P. (Associazione Italiana di Volontariato Psicosociale): domiciliary care of psychotic patients.
1994-1997	Intern student in Psychiatric Clinic. University of Rome “Tor Vergata”. Rome- Italy. (Chairman: Prof. N. Ciani, MD).
1991-1993	Intern student in Medical Physics Department of Medicine. University of Rome “Tor Vergata”. Rome- Italy. (Chairman: Prof. C. Franconi, MD).

EXPERTISE AND SKILLS

- **Human Resources Development:** Certified Professional Coach: Business, Executive, Personal, Group & Team coaching (FUTURE Coaching Academy – ICF ACTP). Experience in student supervision.
- **Communication and complex environment work:** Excellent team player. Demonstrated ability to work in collaboration with different departments, academic and clinical sites and external collaborators. Developed technical writing skills, along with presentation and communication skills.
- **Entrepreneurial skills:** Contribute to set up a Clinical Sciences Department - moving from a Big Pharma to a CRO environment- bringing it into the position of proposing to clients integrated capabilities from early discovery through clinical proof of concept, in collaboration with Discovery and Preclinical Bioscience Departments.
- **Task management and resilience:** demonstrated ability to plan and coordinate multiple resources to achieve a positive outcome in planned and unexpected situations.
- **Leadership skills:** Coordination of multidisciplinary teams. Design and implementation of experimental medicine, genetics, pharmacogenetics, epidemiological and early clinical development studies. Proved experience managing integrated non-clinical and clinical drug development projects and relative stakeholders. Demonstrated ability to lead process improvement initiatives.
- **Disease Areas:** Eating Disorders; Mood and Anxiety Disorders; Smoking Addiction; Neurodegenerative diseases.
- **Analytical skills:** basic knowledge of SAS statistical programming
- **Languages:** Italian, English (fluent), French (intermediate)

HONORS and AWARDS

2004	Young investigator financial support. Fourth Annual Short Course on Statistical Genetics for Obesity & Nutrition Researchers.
2003	Foundation Fellowship. University of North Carolina at Chapel Hill
2003	Price Foundation Fellowship. University of Pittsburgh, Eating Disorders Program, Price Foundation genetic studies
2002	Psychiatric Residency Certification Summa cum Laude (50/50, perfect score)
2002	Junior Investigator Travel Fellowship (Academy for Eating Disorders-NIMH)
2001	Post Doctoral Fellowship, Virginia Institute for Psychiatric and Behavioral Genetics, Virginia Commonwealth University, Richmond, VA
1998	Graduated in Medicine Summa cum Laude (110/110, perfect score)

CERTIFICATION and LICENSURE

2016-Present	Associate Certified Coach (ACC) [International Coach Federation]
1998-Present	Italian Board of Medicine and Surgery (Verona) [Albo Professionale dei Medici-Chirurghi di Verona- N. D'ord. 08875]

PROFESSIONAL MEMBERSHIPS

2015- Present	International Coach Federation (ICF)
2003- 2011	Academy for Eating Disorders (AED)
2005- 2009	International Society of Psychiatric Genetics (ISPG)

JOURNAL REVIEWS

2016	Ad hoc reviewer for American Journal of Psychiatry
2015	Ad hoc reviewer for Scientifica
2014	Ad hoc reviewer for BioMed Research International
2010	Ad hoc reviewer for Psychiatry Research
2009	Ad hoc reviewer for Archives of General Psychiatry Ad hoc reviewer for Psychological Medicine
2007	Ad hoc reviewer for Psychiatry Research; Psychological Medicine
2006	Ad hoc reviewer for Psychological Medicine Ad hoc reviewer for European Eating Disorders Review
2005	Ad hoc reviewer for Psychological Bulletin; International Journal of Eating Disorders
2004	Ad hoc reviewer for Lancet
2003	Ad hoc reviewer for Eating Behaviors; American Journal of Pharmacogenomics, Psychiatry Research; International Journal of Eating Disorders; Biological Psychiatry
2002	Ad hoc reviewer for Journal of Nervous and Mental Disease

TRAINEE SUPERVISION

2016	Anastasia Galani (BA/BSc Hons in Psychology, DERE – The American College of Greece, Athens). Summer college program at Stremble.
2008	Mirko Manchia (Clinical Psychopharmacology Center, Section of Clinical Pharmacology, Department of Neuroscience “B.B. Brodie”, University of Cagliari). Collaborative project: ‘Admixture analysis of Bipolar Disorder age at onset’.
2007	Laura Anchisi (School of Childhood Neuropsychiatry. University of Cagliari. Italy). Specialization thesis: ‘Clinical characteristics of early onset depression’.
2007	Stefano Peranzoni (Master in Bioinformatics, Dept. of Evolutionary Biology, University of Siena). Thesis: ‘Tools for SNPs analyses from Whole Genome Association Data’.
2006	Antonietta De Rubertis (University of Siena). Ph.D. thesis: ‘Bioinformatic study for detection of non-coding RNAs, based on results from a high density association study in schizophrenia’.

- 2005 Alice Vanzo (University of Ferrara). M.Sc. thesis: 'High Density Association study of two hot spots for schizophrenia'.
- 2004 Iuni Trist. Summer college program: 'Co-morbid anxiety in depression and HPA axis candidate gene analysis'.

Siracusano A., Niolu C., **Tozzi F.** Il trattamento farmacologico del disturbo post-traumatico da stress. In Bellantuono C., Balestrieri M. *Trattato di Psicofarmacologia Clinica*. Roma, Il Pensiero Scientifico Ed. (Psychopharmacological treatment of Post Traumatic Stress Disorder)

ORAL PRESENTATIONS and POSTERS

Selected presentations in international/national conferences (from more than 40)

Tozzi F. Studi genome-wide e interazione geni-ambiente: le nuove sfide nella ricerca dei Disturbi del Comportamento Alimentare. [Genome-wide and gene-environment interaction studies: new challenges in Eating Disorders research] *I° Congresso SIPA (8-9 November, 2012, Vietri sul Mare (SA) – Italy)*

Tozzi F., Bulik C.M. *Starving to death*. From stigma to genes: evolution and perspectives of Eating Disorders research. *Invited Lecture at The Cyprus Institute of Neurology and Genetics. April 30th 2008.*

Tozzi F., Todisco P. I disturbi del comportamento alimentare, la ricerca genetica e le sue implicazioni nella realtà clinica [Eating disorders: genetic research and its implications in the clinical practice]. *Neuropsichiatria Quotidiana per il Pediatra - V incontro nazionale. Associazione Culturale Pediatri, Roma il 5-6 ottobre 2007.*

Muglia P, **Tozzi F.**, Prokopenko I., McCarthy A., Brewster S., Perry J., Chisoe S., St. Jean P., Bansal A., Allan C., Riley J., Domenici E., Merlo-Pich E., Holsboer F., Middleton L.T., Roses A. A large scale depression case-control study and its impact on drug discovery & development. *XIV World Congress on Psychiatric Genetics (Cagliari, Italy) (2006) Am. J. Med. Genetics, 141B (7):690*

Tozzi F. “Is BED a particular pathology? Answers from the genetic point of view” (Symposium: “Is BED a particular pathology? Answers from different points of view”). *International Conference on Eating Disorders (Barcelona, Spain, June 7-10 2006).*

Tozzi F., Muglia P. La ricerca genetica e le sue implicazioni nella terapia farmacologica dei disturbi della condotta alimentare (Simposio: Trattamento psicologico e farmacologico dei Disordini del Comportamento Alimentare: quali le basi e quali i target?) *XI Congresso SOPSI (Roma-Italy, 2006). Italian Journal of Psychopathology, 12 (Supplement): 166.*

Prokopenko I., **Tozzi F.**, Perry J.D., McCarthy A.D., Chisoe S.L., St Jean P.L., Alalouff S., Brewster S.R., Kennedy J.L., Middleton L.T., Holsboer F., Muglia P. (2005) Major Depressive Disorder: identifying phenotypic subtypes for genetic studies. *American Journal of Medical Genetics, 138B (1): 107. [XIII World Congress on Psychiatric Genetics (Boston-U.S.A., October, 14-18 2005)].*

Tozzi F. Phenotypic research: the key for finding genes. (Symposium: “User-friendly genetics: What Patients, Families and Practitioners Need and Want to Know”) *Academy for Eating Disorders (Montreal, 2005).*

Tozzi, F. Klump, K, Thornton, L, Bulik, CM, Devlin, B, Fichter, MM, Halmi, KA, Kaplan, AS, Strober, M, Woodside, DB, Crow, S, Mitchell, J, Rotondo, A, Mauri, M, Cassano, G, Keel, P, Plotnicov, K, Pollice, C, Lilenfeld, LR, Berrettini,

Kaye, WH. Symptom fluctuation in eating disorders: correlates of diagnostic crossover. *Eating Disorders Research Society annual meeting* (Ravello- Italy, October 1-4, 2003)

Tozzi F., Sullivan P., Fear J.L., McKenzie J., Bulik C. (2001) The Patients' Perspective on Causal and Recovery Factors in Anorexia Nervosa. *Eating Disorders Research Society annual meeting* (Albuquerque, New Mexico, 2001)
